

Memorandum of Understanding

PREAMBLE: The recent Indian educational policy framework, including the National Education Policy 2020, underlines the need for building skill-based capacity in the Indian youth through leveraging the capacity and capability of different institutions. To harness the same, it is important to enter into formal collaboration and MOUs with reputed institutions and industry for capacity building. There is a need for a strong collaboration between the universities and industries to come up with innovative ideas in research along with investments in R&D. The industry-academia collaboration has enhanced knowledge, innovation and creativity and has played a decisive role in the economic growth of every nation. This agreement aims to bring together the industry, institutions and academia for the development of better and skill oriented all round professionals to contribute to national development.

- (i) To mutually collaborate for R&D in EV Technology, ESDM Sector and in the domains of mutual interest as per industry demand on mutually agreed terms.
- (j) NIELIT and Indigrid will strive to train 50,000 candidates over a period of 3 years in EV Technology and ESDM Sector.

Section-4.0: Intellectual Property:

All Intellectual Property, including, but not limited to, copyrights, software and database rights, patents, trade secrets, trademarks, rights in designs and all other Intellectual Property or other proprietary rights ("Intellectual Property") owned by one Party prior to the date of this MOU will continue to be owned by that party. All Intellectual Property rights made available by one Party to the other Party in connection with this MOU, or otherwise, will remain the sole property of, and vest in, the first Party or its licensors. Neither Party will gain, by virtue of this MOU, any rights in or to any Intellectual Property rights owned by the other Party. Any Intellectual Property rights created by one Party without use of or reference to the Intellectual Property rights or Confidential Information of the other Party will be and will remain the sole and exclusive property of the first Party.

Section-5.0: Duration of Engagement:

This MOU will be valid for a period of 3 years from the date of signing. Once the initial period of 3 years is over, the MOU will be extended for a further period of 3 years, with suitable changes (as per applicability) with mutual consent. If for any reason, any one

entity of the MOU is desirous not to continue with the engagement, the same can be done by giving advance notice of one month.

Section-6.0: Governing Law and Dispute Resolution:

This MOU shall be governed by and constructed in accordance with the laws of India

- (a) The Parties shall attempt to amicably settle all disputes arising out of this MoU and the obligations hereunder ("Dispute"). Either Party may give written notice of a dispute to the other Party within (10) days of the occurrence of the event which gives rise to such Dispute or the date such event comes to the notice of the applicable Party. Any dispute between Indigrid Technology Pvt Ltd and NIELIT in connection with this MoU shall be referred to the designated officials of Indigrid Technology Pvt Ltd and NIELIT for mutual discussions and negotiations. If no settlement can be reached through mutual discussions and negotiations within [15 days] of either Indigrid Technology Pvt Ltd or, NIELIT, delivering a notice of the dispute to the other Party, then such matter shall be finally settled by arbitration in accordance with the provisions of Arbitration & Conciliation Act, 1996 or any other statutory amendments or modifications thereof ("Arbitration Act"). If both the parties cannot agree on a common arbitrator within 30 (Thirty) days of receiving the notice for arbitration by either party from the other party, then either party can approach the Court, by way of filing a petition under section 11 of the Arbitration and Conciliation Act, 1996 and seek appointment of a neutral person to preside over as the Arbitrator. With respect to such arbitration, the following provisions shall apply:

- The arbitration proceedings shall be conducted in English;
- The place of arbitration shall be at Delhi;
- In respect of matters where a reference to the courts is permitted by the Arbitration Act, the courts at Delhi shall have exclusive jurisdiction;
- The costs of arbitration shall be borne as determined in the arbitration award; and
- The decision of the arbitrator(s) shall be final and binding on the Parties.

In Witness Whereof, the Parties have set their hands and seals hereto on the day and date first mentioned.
