

Standard Instructions

- 1) Duration of exam is 50 minutes.
- 2) There is no negative marking.
- 3) Each question is of 40 marks. Candidate has to **attempt any two questions out of three.**
- 4) In case of any system failure/power failure/internet failure/technical error while running/finishing the exam, please contact invigilator/examiner/observer immediately.
- 5) The test should be submitted only when it is completed in all respect
- 6) The countdown timer in the top center of screen will display the remaining time available. When the timer reaches zero, the examination will end by itself.
- 7) Candidate must ensure that s/he appends her/his signature on the attendance sheet at the examination centre in the same manner as signed by them while forwarding the copy of application form to NIELIT. NIELIT at its own discretion may check record of any/all candidate(s) and if any mismatch is found, there is a possibility of cancellation of examination of such candidates.
- 8) The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:
Legends
- 9) Candidate has to take the test in IDE and then paste the code in examination platform and submit it.

Security Instructions

- Once logged in through a single browser tab, candidate cannot log in from any other browser/same browser tab. If the candidate tries to do so, the test may be submitted automatically
- Candidate found guilty of using any unfair means in the Examination Hall or misbehaving in the Examination hall is liable to be disqualified from the examination for which he/she is appearing
