## 1. About NIELIT & Chennai Centre

National Institute of Electronics & Information Technology (NIELIT), (erstwhile DOEACC Society), an Autonomous Scientific Society under the administrative control of Department of Electronics & Information Technology (DeitY), Ministry of Electronics and Information Technology (MeitY), Government of India, was set up to carry out Human Resource Development and related activities in the area of Information, Electronics & Communications Technology (IECT). NIELIT is engaged both in Formal & Non-Formal Education in the area of IECT besides development of industry oriented quality education and training programmes in the state-of-the-art areas. NIELIT has endeavoured to establish standards to be the country's premier institution for Examination and Certification in the field of IECT. It is also one of the National Examination Body, which accredits institutes/organizations for conducting courses in IT in the non-formal sector.

At present, NIELIT has forty(40) offices located at Agartala, Aizawl, Ajmer, Aurangabad, Bhubaneswar, Calicut, Chandigarh, Chennai, Chuchuyimlang, Churachandpur, Delhi, Dibrugarh, Gangtok, Gorakhpur, Guwahati, Haridwar, Imphal, Itanagar, Jammu, Jorhat, Kohima, Kolkata, Kokrajhar, Kurukshetra, Leh, Lucknow, Lunglei, Pasighat, Patna, Pali, Ranchi, Ropar, Senapati, Shillong, Shimla, Silchar, Srinagar, Tezpur, Tura with its Head quarters at New Delhi. It is also well networked throughout India with the presence of about 700 + institutes

The basket of activities of NIELIT is further augmented by the wide range of projects that it undertakes. NIELIT has demonstrated its capability and capacity to undertake R&D projects, consultancy services, turnkey projects in office automation, software development, website development etc. NIELIT is also the nodal implementing agency on behalf of MeitY for Data Digitization of the population of 15 assigned States and 2 Union Territories for the creation of National Population Register (NPR) project of Registrar General of India (RGI). NIELIT is also successfully executing the Agriculture Census and Input Survey project under which tabulation of about 10 crore data records have to be done (For further information you may like to visit [www.nielit.gov.in](http://www.nielit.gov.in))

The NIELIT Centre at Chennai is a new centre and being developed as an advanced training and development centre housing state of the art facilities with special emphasis on technologies of IECT viz. VLSI Design, Embedded System, Networking, Information Security, PCB Design and IT Applications such as e-learning / Multimedia animation. This would help the students who are passing out from Engineering Colleges and Science Colleges by providing value addition to their basic qualification for immediate employability. Professionals and teaching faculties can upgrade their knowledge in the emerging areas of IECT. Also the centre would undertake services and development in the field of Information, Electronics and Communications Technology (IECT).

Over the last three four years, NIELIT Chennai has acquired very good expertise in IT training, through its wide repertoire of courses, ranging from 'O' Level (Foundation), IT literacy courses such as CCC (Course on Computer Concept), BCC (Basic Computer Course) and other such long term and short term course in the non-formal sector like courses on Information Security, ITeS-BPO(Customer Care/Banking), Computer Hardware Maintenance (NIELIT O/A level), ESDM etc, besides, high end courses to be offered in near future by NIELIT Chennai at Post-Graduate level (M.Tech) in Electronics Design & Technology, which are not normally offered by Universities/Institutions in the formal sector, in association with the respective state/central Universities.

The NIELIT Chennai has following objective

- To provide the best possible educational facilities for training youngsters for their career in emerging specializations.
- To develop educational programmes, organize short-term intensive courses, workshop and seminars on current technological developments.
- To develop strong collaboration with other academic and research institutions in the region
- To provide research & development, consultancy and exchange of personnel, this will promote contacts with and be of service to the industries, government & civic organizations.
