Clarifications requested during Pre-Proposal Meeting for EOI number 60(19)2013.NIELIT.HQ held on 21st July at 02.30 pm in NIELIT

The queries and their replies are tabulated as below and henceforth, these will become a part of this EOI:

S/No.	Page	Section	Sub Section	Details	Clause of the EOI on which clarification required	Query/Clarification required	Reply/Clarification
1	15	7	7.1 S.NO.7	PRE QUALIFICATION CRITERIA	The Bidder must be SEI CMMi level 5 for the software and services	Bidders requested to relax the criteria and revise this clause.	Clause of SEI CMMi Level 5 is revised and henceforth ,may be read as SEI CMMi Level 3
2	15	7	7.1 s.no.1	Eligibility Criteria	Consortium of maximum two companies/firms is allowed, the lead company and consortium partner must sign an Agreement and Power of Attorney as per the Proforma at **Annexure-I**. The lead partner will be responsible for successful execution of the project. However, the consortium member will also be severely bound and will be responsible to NIELIT for successful execution of the project.	Do Bidder as well as Consortium partners must be SEI CMMi level 5 for the software and services?	In case of Consortium, the lead/primary bidder should satisfy the eligibility criteria of CMM Level 3 and Consortium as whole shall meet rest of the eligibility criteria
3	15	7	7.1 s.no.4	Eligibility Criteria	The bidder must have its own developed integrated software solution which can be customized as per the requirements of NIELIT. The solution should have been implemented and in use for last two years in at least two Educational Institutions/organisations having its branches/offices/colleges at various locations where the value of each assignment should be equal or more than 80 Lakh (INR). The assignments from 2 different customers will only be considered.	• Out of the 2 implementations, at least one implementation should be for an *Educational Institution / Organization/PSU /State Govt. and other educational institution*s having its branches / Offices / Colleges / at various locations. • Are multiple locations educational institutions of type Schools eligible? • Out of two projects, at least one project should be in existence /	• This clause will be as per EOI however, Out of the 2 implementations, at least one project must be implemented in an *Educational Institutions / Organizations* having its branches / Offices / Colleges / at various locations • Yes • Committee agreed upon this suggestion and this condition may

						implemented for last 02 years .	be read as "Out of two projects, at least one project must be in existence / implemented for last 02 years.
						• can the value of projects be relaxed to 50 Lakh?	• Condition remain unchanged and will be as per EOI document
4	15	7	7.1 s.no.5	Eligibility Criteria	Reference, information and certificates from the respective clients certifying technical, delivery & execution capability of the bidder should be signed and the contact numbers of all such clients	if you would be open to considering reference of worldwide customers.	Global references may also be considered along with national references.
5	4	2		NIELIT Introduction		Number and type of Users may be defined and future growth expected	Number of Users would be categorized under following heads: • NIELIT Own Centres : 30 with internal users would be approx 2000 • Accredited Institutions : about 800 • Facilitation Centres: about 6000 • No. of students may be segregated into two category , one who are enrolled in long term courses and others who are enrolled for short term certification courses such as BCC/CCC etc. and the number of students may vary from time to time. (*Refer Annexure*)
6				Miscellaneous		If application is planned to be public facing, intranet facing or mix	The proposed solution will have public access, however, some of the modules such as post accreditation, post examination, HR , finance etc. will be accessed through intranet and might not require public access .

| 7 | 24 | 2 | Financial S.No. 2 | Compliance Sheet | The bidder should have annual turnover of at least Rs. 25 Cr (Rupees Twenty Five Crores Only) during each of the last three financial years (2010-11, 2011-12, and 2012-13) from similar services. | Can this turn over criteria be relaxed ? | Condition of annual turnover may be read as Rs. 20 Crore (Rupees Twenty Crores Only) during each of the last three financial years (2010-11, 2011-12, and 2012-13) from similar services. |
