

## Online Training Programme for Government Officials on **Augmented and Virtual Reality** Under FutureSkills PRIME Scheme

### Director

Mrs. Sunita Goyle  
01881-257002

NIELIT Chandigarh in association with CDAC is organizing ten days free of cost online training programme on **Augmented and Virtual Reality (AVR)** for Government officials under FutureSkills PRIME Scheme.

### About Training Programme

Government of India has sanctioned a project FutureSkills PRIME (Programme for Re-skilling/Up-skilling of IT Manpower for Employability) which would be implemented as a new Central Sector Scheme under the "Champion Services Sector Scheme (CSSS)". This project will be implemented jointly by NASSCOM, NIELIT and CDAC in PAN India as per the directions issued by the Ministry of Electronics and Information Technology (MeitY), Government of India. The project includes training programmes in ten emerging technologies and **Augmented and Virtual Reality (AVR)** is one such technology.

### Chief Investigator

Dr. Manish Arora  
Additional Director  
01881-257015,  
7087235351  
manisharora@nielit.gov.in

### Co-Chief Investigator

Dr. Sarwan Singh  
Deputy Director  
9815621657  
sarwan@nielit.gov.in

### Objective of Training Programme

The objective of the training programme is to ensure continued relevance of the Government Officials in the area of **Augmented and Virtual Reality (AVR)**. This training will create subject knowledge in Virtual Reality of middle and senior level government officials. The course would bring understanding of the role of AVR in varied applications and help in acquiring know how of applications, tools and techniques. The proposed training will create awareness amongst Government officials regarding impact of evolving technological ecosystem.

### Speakers:

Ms. Jyoti Sharma  
Deputy Director, NIELIT
