

## About Faculty

|             |                                |   |
|-------------|--------------------------------|---|
| Name        | : DR. SUNITA CHIB              |  |
| Designation | : SCIENTIST 'D'/JOINT DIRECTOR |   |
| Department  | : NCPUL EXAMINATION            |   |
| Email       | : SUNITA.CHIB@NIELIT.GOV.IN    |   |
| Contact No. | : 9478872325                   |   |

## Area of Expertise

Operating Systems, Computer Graphics, Image Processing

## Academic/Professional Qualification

| Degree/ Certificate                      | University/Board/Institute | Year of Passing |
|--|----------------------------|-----------------|
| Bachelor of Computer Science (BCS)       | University of Pune         | 1995            |
| Master of Computer Science (MCS)         | University of Pune         | 1998            |
| Ph.D (Computer Science and Applications) | Panjab University          | 2020            |

## Experience

|                               |  |
|-------------------------------|--|
| Teaching/ Training            | 20 years                               |
| Software Development          | -                                      |
| Data Digitization/ Processing | -                                      |
| Projects/ Product Development | NCPUL IT Education Project/Examination |
| Others                        | -                                      |

## Research Publications

| Title | Year of Publication | Journal | Link (if any) |
|-------|---------------------|---------|---------------|
|-------|---------------------|---------|---------------|

|  |      |  |   |
|--|------|--|---|
| Performance Analysis of Enhancement Techniques for Satellite Images<br>S Chib, MS Devi       | 2016 | International Journal of Computer Sciences and Engineering Vol 4 Issue 12, 113-119 | <a href="#">View article (google.com)</a> |
| Classification of Satellite Images Using Perceptron Neural Network<br>MS Devi, S Chib        | 2019 | International Journal of Computational Intelligence Research Vol 15, No. 1, 1-10   | <a href="#">View article (google.com)</a> |
| Classification Of Color Satellite Images Using Computational Intelligence<br>S Chib, MS Devi | 2021 | ICTACT Journal on Image and Video Processing, Vol 12, Issue 01, 2525-2530          | <a href="#">View article (google.com)</a> |
