

IMPORTANT NOTIFICATION ON NIELIT CCC and BCC COURSES

This is for information to candidates at large that the different types of fee charged by NIELIT for CCC and BCC courses are as under:

Item	Fee (in INR)
CCC Examination fee	360.00 inclusive of service tax
BCC Examination fee	200.00 + Service tax as applicable
Certificate re-issuance, in case of corrections.	50.00
Certificate re-issuance, in case of loss of certificate.	100.00
Certificate re-issuance, in case of mutilated certificate.	100.00

No other fee of any kind/type is charged from the candidate by NIELIT for CCC and BCC courses.

- The training of CCC and BCC can be availed by the students as per their convenience at any permitted/approved institutes of NIELIT. The training fee varies from institute to institute depending upon the period of training, infrastructure, faculty, facilities provided etc.
- The students can also apply directly for CCC and BCC examination without undergoing the training from the permitted/approved institutes.
- The certificates of CCC and BCC are now being issued by the respective Regional Centres of NIELIT as per the territorial jurisdiction. In case of candidates who apply for the examination as Direct candidates and are successful in the examination, the certificates are dispatched to them at the address submitted by them in their examination application form. In case of candidates who apply for the examination through permitted/approved institutes (that hold valid permission for the conduct of CCC and BCC, and have obtained e-provisional number), and are successful in the examination, the certificates are dispatched to their respective institutes for onward disbursement without any extra charge.
- The examination venue is generally different from the training institute.

In case of any query/complaint regarding issue of certificates, please write to your Regional Centre. In case, you are not satisfied with the reply of Regional Centre, the queries/complaints can be escalated to Chief Controller of Examinations (CCC and BCC) at NIELIT Headquarters, New Delhi.
