Digital Life Certificate for Pensioners

Jeevan Pramaan Home About How it works Get a certificate Locate a Centre Download Circular Faq

Download Application

get our Windows and Android application

You can download the Jeevan Pramaan Windows & Android client software here. The client software will help perform a registration for a life certificate, for authentication it will use the Aadhaar Biometric authentication platform.
To start the download please provide your e-mail in the form, the download link will be made available after submitting your e-mail address.

The client software is intended to be used only for Pensioner's life certificate registration, usage of the application for any other purpose is prohibited.

* The client software will require a biometric fingerprint/ iris scanner device. In case you require support please contact our help desk.
