Register as a Citizen Service Centre

The Jeevan Pramaan Scheme seeks to ease the verification of pensioners so that they do not need to run from one office to another in order to get their pensions. The idea is to make the whole process trouble-free for retired government employees. It uses the Aadhaar platform for biometric authentication of the pensioner.

In this regard, we are happy to inform you that, it has been decided that all NIELIT Centres would facilitate Government Pensioners to register Digital Life Certificates using Aadhaar authentication.

For the said purpose, you shall be provided with Biometric Devices, free of cost, which can be installed to a Desktop Computer or Laptop.

The provision for uploading of Life Certificates is through a web based module can be accessed at https://jeevanpramaan.gov.in/

The Facilitation Centres, who have not availed the facility (Please click the link to see the List), please send in a letter of Consent on your letter head with the signature of the Head of the Institution and correct postal address so that we can ship the devices to you.

You may send it either through post or as email as a scanned copy with signature to sheela@calicut.nielit.in.

If sending by post , please send to

Sheela V S, Scientist/Engineer "E"

NIELIT Calicut

Post Box No. 5, N.I.T. Campus P.O., CALICUT - 673601, Kerala ,

Terms and Conditions

- You are also entitled to charge a nominal fee of upto Rs 10/- for each Life Certificate Issued after the successful registration of the pensioner for the said facility.
- Each Facilitation Centre like your institute shall act as a Centre for the implementation of the Scheme in your area. Each Centre shall also appoint an Officer, who would monitor the implementation of the Scheme and provide relevant statistics to NIELIT Calicut Centre.
- In order to ensure the success of this initiative, you are required to make efforts to mobilize Government Pensioners who may visit your centre for uploading of Life Certificates.
