F. No. 16(4)99/I-35/NIELIT/2

Dated: 11<sup>th</sup> February 2015

**OFFICE ORDER**

**Subject: Conduct of BCC and CCC Examinations / Centralised issue of online digitally signed certificates of BCC and CCC regarding**

With the objective to ensure timely issue of certificates to the successful candidates of BCC and CCC examinations, so as to keep pace with the current market demand, and after deliberating into pros and cons, the competent authority has agreed for the technology shift and approved the issue of digitally signed online certificate in lieu of manually printed certificates on pre-printed certificate stationery.

Under the above model, the certificates to the successful candidates of BCC and CCC examinations would be issued online under the centralised system and the digitally signed certificates would be available for download by the candidates at the website of NIELIT ([www.nielit.gov.in](http://www.nielit.gov.in)) after declaration of results. The issue of online digitally signed certificates is applicable for BCC examinations conducted from July 2014 & onwards and CCC examinations conducted from November 2014 & onwards. The Controller of Examinations, NIELIT HQ would be the issuing authority for issue of online digitally signed certificates of BCC and CCC. Hence, with the implementation of above model, no manually printed certificates on pre-printed certificate stationery of BCC and CCC would be issued by any of the NIELIT Regional Centres for the above said examinations.

The digitally signed online certificates of BCC and CCC can also be verified by various stakeholders at the website of NIELIT at [www.nielit.gov.in](http://www.nielit.gov.in).

This is issued with the approval of Managing Director.
