

About NSQF Training Partner Program of NIELIT

NIELIT Ranchi invites applications for the NSQF Courses Training Partner Program from interested and eligible institutes in the State of Jharkhand.

NIELIT is playing its role in Skill India mission of the Government of India. To achieve its objective, NIELIT has aligned 75 Skill Development Courses with 43 courses in Electronics and 32 courses in Information Technology areas under National Skills Qualifications Framework (NSQF) ranging from Level 2 to Level 8. The basket of NSQF aligned courses includes courses on VLSI Design & Technology, Real Time Systems, Big Data, Cloud Computing, Cyber Forensic, Network Specialist, Electronic Product Testing, Solar-LED products, Robotics, Embedded System Design, Multimedia, Web Technologies, Programming Languages, Office Automation etc.

NSQF is a competency based framework that organizes all qualifications according to a series of levels of knowledge, skills and aptitude with recognition of prior learning & also promotes lifelong learning.

NSQF resolve the issues associated with lack of uniformity in qualifications and/or equivalence of Degrees/ Diplomas/ Certificates, which impacts the employability and mobility of students. NSQF helps in attaining desired competencies & provide returns for additional skills to further upgrade competencies resulting more employment and entrepreneurship opportunities. Under the NSQF Accreditation Scheme, NIELIT is offering accreditation of NSQF aligned courses to meet the objectives of Skill India Mission and improve the quality of Skill Education in the country and matching it with the International Standards. These courses are of various durations and level and all the courses are listed on National Qualification Register, www.nqr.gov.in.

Any Institute / College may apply and get the accreditation for these courses and run the program in their campus. The examination and certification would be done by NIELIT.

The institutions/ colleges Accredited with NIELIT or Affiliated with AICTE/ Universities and running similar programs are exempted from Inspection process for the Selected Courses and Accreditation would be granted on Self certification basis to such institutes.

Accreditation Process

The details of courses, accreditation process and guidelines are available on our website. All the perspective training partners are advised to do ground work like arrangements of required documents & fees, hardware & software infrastructure, faculty arrangements, etc before applying for accreditation. The portal for online application for NSQF Accreditation is yet to be operational.

Till the availability of online portal, applications for the NSQF Training Partner in the state of Jharkhand may be sent in the prescribed format with necessary enclosures and requisite fee through Demand Draft in favour of NIELIT Ranchi payable at Ranchi. All such applications shall be sent in a sealed envelope superscribing "APPLICATION FOR NSQF ACCREDITATION" by Speed Post / Registered Post to -
