

STEPS TO DOWNLOAD "REGISTRATION IDENTITY CARD"

1. Open the www.student.nielit.gov.in
2. Follow the below mentioned steps to download your **REGISTRATION IDENTITY CARD**

Step 1: open the url and login with your credentials

Step 2: Following screen will appear

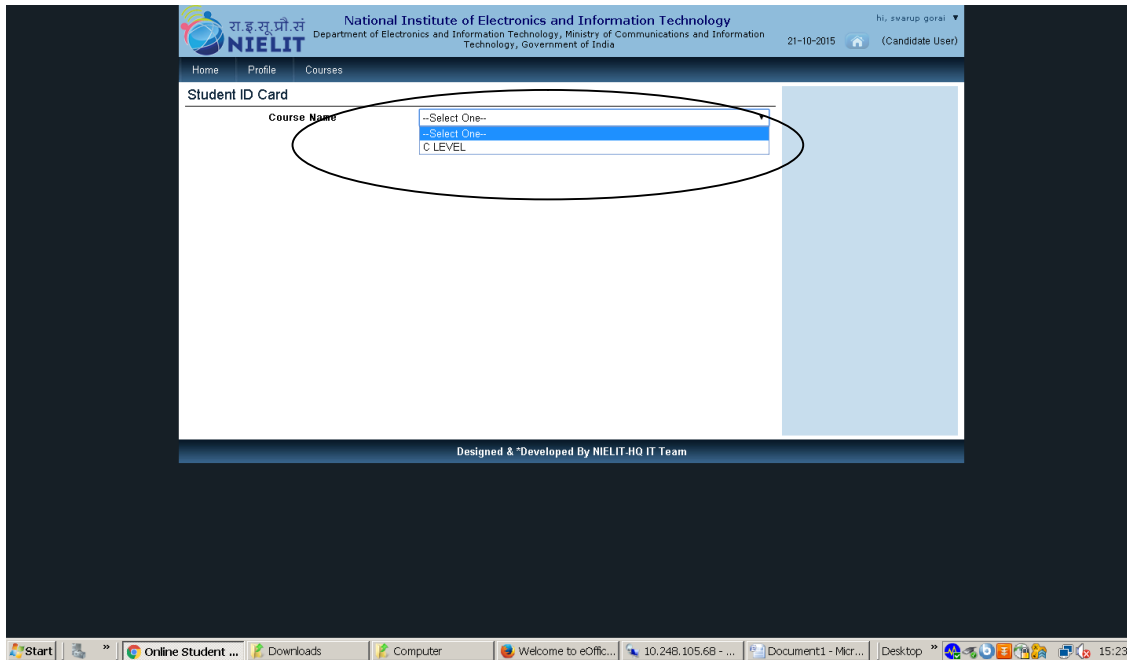

Step 3: Click at **Print Registration ID card** link

The screenshot shows the NIELIT candidate dashboard. The header includes the NIELIT logo, the text "National Institute of Electronics and Information Technology", and the user's name "hi_swarup.goyal" with a dropdown arrow. The date "21-10-2015" and the user type "(Candidate User)" are also visible. The main content area is titled "My Dashboard" and contains three notification sections: "Profile Notification" (with a message about profile verification), "Exam Notification" (with links for time table, admit card, and practical examination admit card), and "Registration Notification" (with links for registration status, course registration form, and registration ID card). The link "Print Registration ID Card" is circled in red. The footer of the dashboard reads "Designed & *Developed By NIELIT-HQ IT Team". The browser's taskbar at the bottom shows the Start button, several open applications, and the system clock at 15:22.

Step 4: Click on the drop down to choose the level applied for

The screenshot shows the "Student ID Card" page on the NIELIT website. The header is identical to the previous screenshot. The main content area is titled "Student ID Card" and features a "Course Name" dropdown menu with the text "--Select One--" and a downward arrow. A "View ID Card" button is located to the right of the dropdown. The dropdown menu is circled in red. The footer of the dashboard reads "Designed & *Developed By NIELIT-HQ IT Team". The browser's taskbar at the bottom shows the Start button, several open applications, and the system clock at 15:23.

Step 5: Select the level for which registration applied for

Step 6: Your Registration Identity Card will be displayed. Sample ID Card is shown below. Click on the **PRINT** button to print the same
