### **Request for Quotation (RFQ): Corrigendum**

#### **Selection of “MANAGED SERVICE PROVIDERS” for Biometric Enrolment and LRUR Printing for (NPR)**

With reference to the notice published in ‘The Hindustan Times’ and ‘The Times of India’ on 15.09.2011 and ‘Indian Trade Journal’ on 28.09.2011, following modifications have been made in the RFQ documents:

1. At page 52 of RFQ for Biometric enrollment for Urban areas corresponding to Zone Code 24, Zone Name should be read as **Agra instead of Meerut.**
2. At page 16 of RFQs for selecting MSPs for Biometric Enrollment in **Urban as well as Rural Areas**, Para 3 under **“Scope of Services”** point no. xii has been modified.
3. Instead of submitting the financial bid for multiple zones in a single FINANCIAL BID, Zone wise separate FINANCIAL BID(S) in separate sealed envelopes should be submitted as specified in the updated RFQs (with necessary changes incorporated as a result of corrigendum) for urban and rural areas.
4. **Last date for Submission of Bids has been extended from 28.10.2011 to 08.11.2011 by 5.00 PM.**

Updated RFQs with necessary changes incorporated as a result of corrigendum have been displayed on the website. Bidders should submit their bids as per the updated RFQs.

**All other terms and conditions shall remain unchanged.**
