CYBER Shikshaa

A Joint Skills Initiative of

Microsoft | **DSCI** PROMOTING DATA PROTECTION | **NIELIT**

Cyber security training for women Engg. & MCA graduates

Certification jointly by Microsoft, DSCI & NIELIT

About the Course

With the objective of creating skilled & industry ready women professionals in the realm of Cyber Security in the country, Microsoft & DSCI have collaborated and have embarked on an endeavour called 'CyberShikshaa'.

There has been a steep rise in the demand for skilled workforce in this domain and representation of women in the Cyber Security as the workforce has been low compared to that of the overall IT industry average. CyberShikshaa intends to bridge the gap of talented professionals as well as to enhance the number of women workforce the field of Cyber Security.
