

Pre-Bid Conference

11/01/2012

Replies to the QUERIES RECEIVED
for
Data Digitization and Biometric Enrolment and
addressed in Pre Bid Conference
dated 11th Jan 2012

Sr. No.	Queries	Replies
1)	High EMD and if it can be in the form of FDR or Bank Guarantee?	As per RFQ terms only
2)	EMD for each zone separately to facilitate refund.	As per RFQ terms only
3)	EMD of unsuccessful bidders should be immediately refunded on the date of bid opening	As per RFQ terms only
4)	Single bid Zone would again be Rebid?	Decision will be based on GFR
5)	Declaration from vendors w.r.t. NPR-2 orders they have received and the No. of zones they are eligible to bid	Suggestion noted.
6)	If selected bidders work slow, then other bidders should be given the chance	As per RFQ, provision of work reallocation already there
7)	Biometric software to be obtained from purchaser or it comes in built when the UID kits are purchased.	Kits are procured by MSP where as software would provided by UIDAI through RGI / Purchaser.
8)	KYR + fields ?	<p>Seven KYR+ fields</p> <ul style="list-style-type: none"> " Ration Card Number " Beneficiary Group (Antyodaya/BPL/APL) " NREGA Job Card No. " Driving Licence Number " PAN Card Number " EPIC Number " Passport Number <p>Plus 3 Stated Specific KYR+ fields</p>

9)	Who would provide the software to capture KYR+ fields	Purchaser
10)	Cost of certification from UIDAI would be borne by MSP?	Yes
11)	For work reallocation, the outgoing bidder shall be liable to pay at the cost finalized by purchaser (should be at mutually agreeable cost)	As per RFQ terms only
12)	For performing data digitization in rural areas, the infrastructure setup is at village level. Whether this infrastructure can be available at any one village or many villages under a particular zone.	As per RFQ terms
13)	Providing adequate arrangements at Data Entry points in Villages for purchaser (would it be at village level or zone level?)	It would be at each Data Entry point.
14)	Assist the biometric agency in porting of digitized data onto the devices. What kind of assistance?	Since data digitization has been done by MSP-1, any problem faced in data porting would be addressed by MSP-1 only.
15)	MSP-1 to carry LRUR corrections. Format of LRUR, time lines for carrying out these corrections post 6 months of data digitization	As soon as possible

16)	Take data on an external media for the purpose of Biometric enrolment camping. (RFQ does not specify the format.)	Would be provided when required
17)	Ensure interim storage management and complete security of field data. What sort of interim storage and what would be the mode of data transfer?	Intermediate storage after taking data from purchaser and before handing the same back to the purchaser. Can be any mode depending upon the situation.
18)	While bidding the bidder must ensure that they bid for only those zones where the total population is less than their maximum work capacity. Bidder has to deduct already allocated work?	Yes, bidder has to deduct already allocated work
19)	Clarify whether 1.2 multiplier has already been applied while calculating population?	Yes
20)	Bid capacity as per the net worth of the agency as on 31 Dec 2011 instead on 31 st Mar 2011	As per RFQ terms only
21)	Whether space for biometric camps and data digitization would be provided by DIT	No
22)	Duplicate enrolments (i.e. a person A enrolled in the name of A and B separately)	Would it be duplicate, then?
23)	Media would be provided by whom, for data hand over?	MSPs

24)	For biometric RFQ which population would be taken 'Total or 90%'	90%
25)	Clarify the total bid capacity viz a viz amount of work already allocated	Max. bid capacity = (Max. Work Capacity – Work Allocated) * 5
26)	Max. work capacity independent for urban and rural RFQs	Yes
27)	PBG amount may be decreased to 5% only and should not be more than the period of contract i.e. for two years only.	As per RFQ terms only
28)	PBG may be allowed from other than nationalized Indian banks also	As per RFQ terms only
29)	60% of the payment may be released immediately upon completion and acceptance of biometric enrolment and other payment terms may also be relaxed. Regular payment cycle (monthly) should be established.	As per RFQ terms only
30)	If during bid submission decision is taken to go for e-procurement, what procedure would be followed?	It would be intimated through corrigendum
31)	Enrolment camps to be organized at Panchayat office / block office / govt. primary schools	As per RFQ terms only
32)	MSP-2's interest may be protected in case of delay on part of MSP-1	Data would be made available by the Purchaser as per schedule

33)	What is the process of checking duplicate data packets	UIDAI's role
34)	E-mails should be considered as a valid mode of communication	E mail followed by FAX / paper communication
35)	Data quality: what is acceptable accuracy level	As per SLAs defined in the RFQs
36)	Would the purchaser pay extra for 2 nd round of camps?	No. Strictly as per RFQ terms
37)	Would the cost of Printing be reimbursed by purchaser	Cost would be borne by MSP. RFQ is for Biometric Enrolment and LRUR printing
38)	Severe penalty clause	As per RFQ terms only
39)	Payment should be through RTGS within 48 hours	As per RFQ terms
40)	MIS Software resides at the purchaser end. But entire liability lies with MSP.	MSP has liability for providing timely inputs
41)	General: Following should be included: 1) Settlement of dues in case of termination 2) Exit clause 3) Conflict of interest	As per RFQ terms

42)	For data digitization, would the software have transliteration facility or data entry would have to be done in two languages	Would have to be done in two languages
43)	Would data digitization software be licensed single user version or a portable executable file?	Platform independent
44)	LRUR correction. Would the payment be separate? And timeline for carrying LRUR corrections	No, separate payment. As soon as possible.
45)	Data checking and verification	Software provides the facility
46)	MSP work is dependent on availability of the hard copy of the data.	No
47)	Status of residents already enrolled for ADHAAR? Would they have to come again for NPR?	Yes
48)	Areas where already more than 70% population enrolled for Adhaar. How would the target achieved for NPR.	NPR is a mandatory process. Awareness campaign with the assistance of MSP would be undertaken by RGI.
