**(50 Marks)**

2. Read the following passage and answer the questions that follow:-

“Japan is a beautiful country, and is called the “land of the rising sun”. It is also called the land of extensive earthquakes.

The Japanese build their houses with paper and wood instead of brick and stone because the land often shakes due to earthquakes and the houses fall down, to prevent heavy loss of life and property, they build their houses with light materials like wood and paper.

The Japanese keep their houses very clean and they love flowers. They arrange the flowers in different colours in an artistic way which is called ‘Ikebana’. Their dress too is very colourful their traditional dress called ‘Kimono’ is worn by every one from children to old people.

- i) What is Japan Called?
- ii) Why do Japanese build their house with light materials?
- iii) What are the light materials they use to build their houses?
- iv) How do Japanese maintain their houses?
- v) What is ‘Ikebana’?
- vi) What is ‘Kimono’?

**(2x6=12 Marks)**
