Public Notice

File No. NHQ-35/59/2025-NIELIT/E-3166283

Date: 17th Nov. 2025

“Revision and Inclusion of Active NSQF-Aligned Courses under the Scheme for Free Accreditation of NIELIT NSQF Courses along with O/A/B/C Level Courses”

In reference to Public Notice No. I-19021(13)/1/2022-IT/EO-8266 dated 31st August 2022, NIELIT had introduced a Scheme for Free Accreditation of NSQF-aligned courses along with O/A/B/C Level courses, allowing accredited Centres to offer up to five additional NSQF-aligned courses without any accreditation fee.

2. Since the issuance of the said notice, several NSQF courses have been revised, renamed, or discontinued as part of curriculum upgradation and NSQF realignment. Accordingly, the list has been updated to include the active NSQF-aligned IT courses under the Free Accreditation Scheme. This scheme is applicable only to existing or newly accredited O/A/B/C Level Training Partners (TPs), who may select any five (05) courses from the revised list for accreditation.

S. N.	Level	Revised List of Active IT Courses (as on date)
		(II)
1	O Level 'IT'	I. Computer Application Accounting and Publishing (UR) II. Essentials of Data Entry and Office Automation (UR) III. Full Stack development Associate IV. ITES BPO Executive- Voice V. Artificial Intelligence Assistant VI. Multimedia Development Associate VII. Foundation of Artificial Intelligence Technology VIII. Foundation of Data Science and Analytics IX. Fundamentals of Data Annotation using Python X. Fundamentals of Data Curation using Python XI. Basics of Python Programming
2	A Level 'IT'	I. Computer Application Accounting and Publishing (UR) II. Essentials of Data Entry and Office Automation (UR) III. Full Stack development Associate IV. Junior Data Analyst V. ITES BPO Executive- Voice VI. Fundamentals of Information Security VII. Foundation of Artificial Intelligence Technology VIII. Multimedia Development Associate

		IX. Artificial Intelligence Associate X. Basics of Python Programming XI. Fundamentals of Data Curation using Python XII. Fundamentals of Data Annotation using Python XIII. Foundation of Data Science and Analytics XIV. Essentials of AI (Upskilling) XV. Essentials of Cloud Computing and Virtualisation (Upskilling)
3	IT Application Engineer (B Level - IT)	I. Computer Application Accounting and Publishing (UR) II. Essentials of Data Entry and Office Automation (UR) III. Full Stack development Associate IV. ITES BPO Executive- Voice V. Fundamentals of Information Security VI. Essentials of Data Encryption and Cryptographic Security VII. Essentials of Network Security Measures VIII. Essentials of AI (Upskilling) IX. Essentials of Cloud Computing and Virtualisation (Upskilling) X. Fundamentals of Data Curation using Python XI. Fundamentals of Data Annotation using Python XII. Foundation of Data Science and Analytics XIII. Cyber Security for Cloud Infrastructure XIV. Data Analysis with Python and SQL XV. Essentials of Data Warehousing XVI. Essentials of Big Data
4	C Level	Currently syllabus of C level is under revision.

Courses marked **(UR)** are **Under Revision** and will be included in the scheme upon finalization.

*List of these courses is tentative and subject to change from time to time depending upon NSQF validity of these courses.

5. If an existing O/A/B/C accredited institute is interested to apply for Accreditation of additional NSQF Course (max. upto 5), the institute will have to do following additional formalities:

i) Institute will have to submit an undertaking as per format prescribed by NIELIT mentioning that it has all prerequisites for conducting the course like H/w, S/w, Faculty, infrastructure etc. No physical inspection will be conducted by NIELIT to award accreditation for aforementioned courses, it will be on Self-Certification Basis, however, surprise visit may be conducted by NIELIT.

ii) It shall be the responsibility of the institute to ensure that qualified faculty are available for teaching the respective courses. In case suitable faculty are not available, one of the institute's faculty members shall obtain certification in the respective course through any NIELIT Centre, NIELIT NSQF Training Partner, NIELIT Virtual Academy, NIELIT Digital University Platform.

iii) On receipt of the application along with the prescribed undertaking, the Accreditation Section, NIELIT HQ, will add the requested courses to the institute login.

6. An institute can choose maximum five courses irrespective of no. of O/A/B/C levels for which the institute is accredited with NIELIT. There is no provision for replacement of a course, a course once chosen cannot be replaced with any other course.
7. If an institute is registered for more than one Level out of O/A/B/C then it can apply for max. 5 courses only. However, the institute must apply based on highest level (out of O/A/B/C) for which it is registered so that it can available wide range of courses to choose.
8. An accredited institute can apply for maximum five NSQF courses simultaneously or in phased manner one by one as per its willingness to start the course and demand.
9. As the accreditation for these NSQF courses is given based on self -certification by the institute, at the time of surprise visit if discrepancy/deviation is found from the norms then accreditation can be withdrawn by NIELIT.
10. It may be noted that the validity of NSQF aligned courses is for a specific duration and courses are approved by NCVET after due deliberations in NSQF approval committee. Hence, the above list of courses is tentative and courses can be added/deleted in the list as per their NSQF validity. Further, if at particular time if a course is not aligned or its NSQF validity is expired then NIELIT will not allow registration in that course.
11. It will be the responsibility of accredited institute to ensure that the NSQF course in which the institute is taking admission is NSQF aligned at that time. Qualification Files consisting of validity (Date of planned review) of a NSQF course is available at National Qualification Register (<https://nqr.gov.in/>). NIELIT will not be responsible for any liability if an institute takes admission in a course which is not valid at that time.
12. In all matters related to this scheme, the decision of Competent Authority NIELIT will be final and binding.
13. NIELIT reserves the right to discontinue/amend this scheme anytime without assigning any reason. This issues with the approval of Competent Authority.

This Issues with the approval of Competent Authority.
