AGENDA ITEM 10: Additional Agenda with Permission of Chair

10.1. Additional Agenda 1: Approval sought for including elements of ‘Packaging’ and ‘Safety’ in the PM Vishwakarma qualifications (NOS)

- 10.1.1. The committee was briefed that currently there are 28 NSQF-aligned qualifications in 18 trades currently being executed under the PM Vishwakarma scheme. These qualifications (NOSs) have been meticulously developed through extensive public consultations with stakeholders, including MSME and NSDC for both basic and advanced modules. Basic modules were approved in the 31st NSQC meeting held on 31st Aug 2023 and advanced modules was granted ‘in principle’ approval in the 36th NSQC meeting held on 15th March 2024.
- 10.1.2. Further, the committee was apprised that the content for the advance modules was developed and shared with MSME for their comments. The MSME had proposed that safety and packaging aspects may be considered for inclusion in the advance modules of PM Vishwakarma without changing the total duration of 120 notional hours and a consultative meeting in this regard was conducted by MSME on 9th January 2025. All concerned SSCs had clarified in the meeting that each qualification already contains the safety elements as applicable in the respective qualification (NOS) and it was felt that the requirement of including ‘packaging’ in most of the qualifications was not there.
- 10.1.3. Accordingly, a follow-up meeting with all SSCs was taken on 10th January 2025 to carry out a detailed review of the said proposal. All the 28 qualifications (NOS) were reviewed, and it was clear that there is no requirement to include a separate detailed module for packaging in their respective qualifications except in Four ABs, i.e.,
- i. Apparel, Made-ups & Home Furnishing Sector Skill Council (AMHSSC)
 - ii. Tourism & Hospitality Skill Council (THSC)
 - iii. Handicrafts and Carpet Sector Skill Council (HCSSC).
 - iv. Leather Sector Skills Council (LSSC)
- 10.1.4. The consolidated response of the SSCs in this regard is subjoined below:

Sl. No.	Concerned SSCs	Safety Module included (Y/N)	Packaging Module included (Y/N)	Special Remarks
1	Agriculture Skill Council of India (ASCI)	Yes	No	Not necessary to include

9	Tourism and Hospitality Skill Council (THSC)	Yes	Yes	Requisite module required and included
10	Leather Sector Skill Council (LSSC)	Yes	No	SSC has developed & submitted a Packaging module with a training duration of 45 minutes to NCVET

10.1.5. The AMHSSC, THSC and HCSSC confirmed that they have already included the elements of safety and packaging.

10.1.6. However, the **Leather Sector Skill Council (LSSC)** did not have packaging elements and have now developed & submitted an additional module for Packaging including certain additional learning outcomes in safety as well. The inclusion resulted in an overall increase of 45 minutes which has been adjusted in the existing module of '***Upskilling to use of modern machineries to manufacture the footwear/bags/leather goods***' keeping the total hours of 120 the same.

10.1.7. The committee approved the above and directed NSDC to carry out the changes in the existing draft of the content for the Advance module for implementation.
