h) Points to consider after accreditation

- ❶ Accreditation is for the NIELIT computer courses and the institute is not accredited as such. It is applicable for the course at the specified location only.
- ❷ Random Monitoring visits will be conducted at the institutes
- ❸ Accreditation given in the name of an institute is not automatically applicable to its branches / centres / head office/franchises/licensees etc. Each centre is required to have independent accreditation for each level.
- ❹ Provisional Accreditation is granted for a period of five years for O/A/B/C levels.
- ❺ Accreditation is a continuous process and new institutes get accredited from time to time. Accreditation granted to an existing institute may be withdrawn if it fails to adhere to the norms or for other specified reasons of accreditation.
- ❻ The performance of an institute is reviewed periodically through the Monitoring Committee report on the functioning of the institute and by the performance of candidates appearing in NIELIT examinations from the institute. This also includes the number of candidates sent by the institute for such examinations.
- ❼ Institutes are allowed to run number of courses/batches in commensuration with the qualified faculty and existing infrastructure.
